EDUCATION

Dr. D.Y.Patil Pratishthan's College of Engineering Salokhenagar Kolhapur Bachelor of Technology - BTech, Computer Science (Data Science)	Present
Deogiri College, Aurangabad Higher Secondary Education	Jun 2022- Feb2023
St.George English School Secondary Education	Jun 2019 - Mar 2020

PROJECTS

- Modern Portfolio [Link](#)**
Tools & Technologies Used : Vite, React.js, TailwindCSS , FramerMotion , TypeScript, Next.js
Description :-Developed a fully responsive personal portfolio website using Next.js, TypeScript, React, and Tailwind CSS.
 - Built the portfolio with a focus on showcasing skills, projects, and achievements in an elegant, user-friendly interface.
 - Used Next.js to optimize the performance with server-side rendering and improve SEO for better visibility.
 - Implemented TypeScript for enhanced type safety and maintainability in the codebase.
 - Styled the layout with Tailwind CSS to create a flexible, mobile-first design.
 - Added smooth animations and transitions with Framer Motion to enhance the visual experience and interactivity.**Nov-24**
- Ochi Design Clone [Link](#)**
Tools & Technologies Used : Vite, React.js, TailwindCSS , FramerMotion
Description :-Cloned the landing page of Ochi Design using React, Tailwind CSS, Framer Motion, and GSAP.
 - Recreated the original landing page with pixel-perfect accuracy, focusing on modern UI design.
 - Utilized React for building reusable components and managing the application's state efficiently.
 - Styled the page with Tailwind CSS, ensuring a clean, responsive layout and rapid development.
 - Added advanced animations and transitions using Framer Motion and GSAP, creating smooth and engaging user interactions.**Aug-24**
- Golf Family Clone [Link](#)**
Tools & Technologies Used : HTML , CSS , Javascript
Description :-Cloned the landing page of The Golf Family Club using HTML, CSS, and JavaScript.
 - Recreated the design and layout of the original landing page to closely match the original website.
 - Implemented JavaScript for basic interactivity, such as button hover effects or smooth scrolling.**May-24**
